

## Ohio History Center Highlights Tours

Join our interpretive staff on these specialized 30-minute tours that take your class throughout the museum to look at different aspects of Ohio history.

**Historic Native American:** Learn more about the history of native Ohioans and how the building of our state changed their path through time.

**Women's History:** Discover the ways in which women's roles in society changed throughout Ohio's dynamic history.

**Civil War:** This tour will discuss Ohio's role in the American Civil War, topics covered will include Ohio at Gettysburg, weaponry, and battle flags of Ohio regiments.

**Ohio's Military History:** Learn more about Ohio's involvement in military conflicts from the mid-1700s through Vietnam.

**Ohio Historical Society Sites:** Travel the entire state of Ohio without leaving the Ohio History Center as we discuss objects that link to our sites throughout the state.

**Social Reform:** See the ways in which social reform changed everyday life for Ohioans throughout time, including a look at abolition, suffrage movements, and unionization, among other topics.

**Environmental History:** Understand how humans have changed the environmental landscape through agriculture, industry, and settlement.

**Transportation:** Learn the ins and outs of Ohio's transportation history from canals to railroads to automobiles.
